

Ziyad Mahaishiz

Malang, Jawa Timur

ziyadmahaishiz@student.ub.ac.id

EDUCATIONAL BACKGROUND

Universitas Brawijaya

Undergraduate, Faculty of Law

Aug'22–Present

EXPERIENCES

Muhammadiyah Plus Batam School

2023–2024

Librarian

Des'23–Feb'24

- Improved user experience by reorganizing the book collection to align with students' needs, therefore improving user accessibility and ensuring a tidier, more organized library environment.
- Implemented user feedback systems for students to improve their overall library experience.
- Registered the library book collection in the library database application, ensuring data integrity within the library.
- Provided assistance and support to students in finding and using the library resources

Database Administrator

Oct'23–Mar'24

- Designed and developed the library database application to ensure the needs of the library and its users.
- Designed an intuitive user-friendly interface that is easy to navigate.

Intern at Badan Eksekutif Mahasiswa FH UB

2022

Ministry of Budaya, Pemuda, dan Olahraga (Budpora)

- Participated in Budpora's Scouter Program to promote news on sports, youth, and cultural activities.
- Participated in Budpora's Glow Fest as event security division, responsible for crowd control, managing and directing the flow of attendees as well as handling any disturbances or conflict, and providing general services to attendees.
- Participated in BEM's Farewell Party as public relation division, involved in maintaining relationships between staff and event guests on event information and updates.

Event Division of FH UB Class of 2022 Inauguration Night

2022

- Involved in developing a detailed event timeline and schedule, to ensure every activity is properly balanced and well executed.
- Involved in choosing an appropriate venue for the event.
- Involved in selecting the event's big theme and planning decorations accordingly.
- Responsible for arranging layout of the venue, including seating, stage setup, and decorations.
- Coordinating with equipment division to set up the event layout and decorations.
